ITEM 4.01 CHANGES IN REGISTRANT'S CERTIFYING ACCOUNTANT.

On March 5, 2010, our Board of Directors approved the dismissal of Seale and Beers, CPA's ("Seale") as our independent registered public accounting firm and the engagement of Weinberg & Company as our new independent registered public accounting firm.

Other than a going concern qualification, Seale's audit reports on our financial statements as of and for the year ended December 31, 2008, and for the period of inception on September 17, 2007 to December 31, 2007 (the "Reporting Periods"), did not contain an adverse opinion or a disclaimer of opinion and were not qualified or modified as to uncertainty, audit scope or accounting principles.

During the Reporting Periods, the subsequent interim periods, and through March 5, 2010, there were (i) no disagreements between the Company and Seale on any matter of accounting principles or practices, financial statement disclosure or auditing scope or procedure, which disagreements, if not resolved to the satisfaction of Seale, would have caused Seale to make reference to the subject matter of the disagreement in their reports on the financial statements for such years, and (ii) no "reportable events" as that term is defined in Item 304(a)(1)(v) of Regulation S-K.

We have requested that Seale furnish our company with a letter addressed to the Securities and Exchange Commission stating whether it agrees with the above statements. The letter is attached as an exhibit to this Form 8-K.

During the Reporting Periods, which were our two most recent fiscal year ends, the subsequent interim periods, and through March 5, 2010, we have not consulted with Weinberg & Company on any of the matters or events set forth in Regulation S-K Item 304(a)(2).
