ITEM 1.01 ENTRY INTO A MATERIAL DEFINITIVE AGREEMENT.

On December 28, 2010, Genesis Biopharma, Inc. (the “Company”) closed a private placement offering (the “Offering”) pursuant to which it entered into Private Placement Subscription Agreements (the “Subscription Agreements”) with accredited investors providing for the issuance and sale of 595,000 shares of the Company’s common stock (the “Shares”) for a purchase price of \$595,000.00. The Subscription Agreements granted the investors “piggy-back” registration rights with respect to the Shares, pursuant to which the Company agreed, with specified exceptions, to register the Shares in the event the Company determines to register its common stock with the Securities and Exchange Commission.

The foregoing description of the Subscription Agreements does not purport to be complete and is qualified in its entirety by the form of Subscription Agreement attached hereto as Exhibit 10.1, which is incorporated herein by reference.

ITEM 3.02 UNREGISTERED SALES OF EQUITY SECURITIES.

The information called for by this item is contained in Item 1.01, which is incorporated herein by reference. The common stock issued in connection with the Subscription Agreements was issued in reliance on the exemptions from registration contained in Section 4(2) of the Securities Act of 1933, as amended, and Rule 506 of Regulation D promulgated thereunder. Each investor represented to the Company that such investor was an “accredited investor” as such term is defined under Regulation D, and the offering did not involve any form of general solicitation or general advertising.

1.2 The Subscription may be rejected in whole or in part by the Company, in its sole and absolute discretion for any cause or for no cause. Subject to the terms hereof, the Subscription will be effective upon its acceptance by the Company.

1.3 Unless otherwise provided, all dollar amounts referred to in this Subscription Agreement are in lawful money of the United States of America.

1.4 The Subscriber acknowledges that the offering of Shares contemplated hereby is part of a private placement by the Company of up to an aggregate subscription level of \$1,100,000 (the "Offering"). Notwithstanding the foregoing, the Company reserves the right to increase the subscription level.

2. PAYMENT

2.1 The Subscription Proceeds must accompany this Subscription and shall be wired directly to the Company in accordance with the wire instructions attached hereto as Schedule A.

2.2 In the event that this Subscription Agreement is not accepted by the Company for whatever reason within 30 days of the delivery of an executed Subscription Agreement by the Subscriber, this Subscription Agreement, the Subscription Proceeds and any other documents delivered in connection herewith will be returned to the Subscriber at the address of the Subscriber as set forth in this Subscription Agreement.

3. DOCUMENTS REQUIRED FROM SUBSCRIBER

3.1 The Subscriber must complete, sign and return to the Company or its legal counsel, as directed by the Company, an executed copy of this Subscription Agreement.

3.2 The Subscriber shall complete, sign and return to the Company as soon as possible, on request by the Company, any documents, questionnaires, notices and undertakings as the Company may require to comply with applicable securities laws or any regulatory authorities.

4. CLOSING

4.1 Closing of the offering of the Shares (the "Closing") shall occur on or before October 29th, 2010, or on such other date as may be determined by the Company (the "Closing Date"), and may occur in multiple closings as the Company may determine.

5. REPRESENTATIONS AND WARRANTIES OF THE SUBSCRIBER

5.1 The Subscriber hereby makes the following representations and warranties to the Company:

- (a) The Subscriber understands that the Shares have not been registered under the Securities Act, or any state securities laws, in reliance upon exemptions from regulation for non-public offerings. The Subscriber understands that the Shares or any interest therein may not be, and agrees that the Shares or any interest therein will not be, resold or otherwise disposed of by the undersigned unless the Shares are subsequently registered under the Securities Act and under appropriate state securities laws or unless the Company receives an opinion of counsel satisfactory to it that an exemption from registration is available;
 - (b) The Subscriber is acquiring the Shares for investment for its own account, not as a nominee or agent, and not with the view to, or for resale in connection with, any distribution thereof, and that such Investor has no present intention of selling, granting any participation in, or otherwise distributing the same. The Subscriber further represents that it does not have any contract, undertaking, agreement or arrangement with any person or entity to sell, transfer or grant participation to such person or entity or to any third person or entity with respect to any of the Shares;
 - (c) The Subscriber, or its purchaser representative, within the meaning of Regulation D, Rule 501(h), promulgated by the Securities and Exchange Commission (its "Purchaser Representative"), has substantial experience in evaluating and investing in private placement transactions of securities in companies similar to the Company and acknowledges that the Subscriber or its Purchaser Representative, can protect its own interests. The Subscriber or its Purchaser Representative has such knowledge and experience in financial and business matters so that the Subscriber or its Purchaser Representative is capable of evaluating the merits and risks of its investment in the Company;
 - (d) The Subscriber understands and acknowledges that an investment in the Company is highly speculative and involves substantial risks. The Subscriber can bear the economic risk of the Subscriber's investment and is able, without impairing the Subscriber's financial condition, to hold the Shares for an indefinite period of time and to suffer a complete loss of such Investor's investment;
-

- (e) The Subscriber has had an opportunity to ask questions of, and receive answers from, the officers of the Company concerning the Subscription Agreement, the exhibits and schedules attached hereto and thereto and the transactions contemplated by the Subscription Agreement, as well as the Company's business, management and financial affairs, which questions were answered to its satisfaction. The Subscriber believes that it has received all the information such Investor considers necessary or appropriate for deciding whether to purchase the Shares. The Subscriber understands that such discussions, as well as any information issued by the Company, were intended to describe certain aspects of the Company's business and prospects, but were not necessarily a thorough or exhaustive description. The Subscriber acknowledges that any business plans prepared by the Company have been, and continue to be, subject to change and that any projections included in such business plans or otherwise are necessarily speculative in nature, and it can be expected that some or all of the assumptions underlying the projections will not materialize or will vary significantly from actual results. The Subscriber also acknowledges that it is relying solely on its own counsel and not on any statements or representations of the Company or its agents for legal advice with respect to this investment;
 - (f) The Subscriber is an "accredited investor" within the meaning of Regulation D, Rule 501(a), promulgated by the Securities and Exchange Commission under the Securities Act and shall submit to the Company such further assurances of such status as may be reasonably requested by the Company.;
 - (g) The residency of the Subscriber (or, in the case of a partnership or corporation, such entity's principal place of business) is correctly set forth on the Subscriber's signature page to this Subscription Agreement;
 - (h) The Subscriber has all requisite power and authority to execute and deliver the Subscription Agreement, to purchase the Shares hereunder and to carry out and perform its obligations under the terms of the Subscription Agreement. All action on the part of the Subscriber necessary for the authorization, execution, delivery and performance of the Subscription Agreement, and the performance of all of the Subscriber's obligations under the Subscription Agreement, has been taken or will be taken prior to the Closing;
 - (i) The Agreement, when executed and delivered by the Subscriber, will constitute valid and legally binding obligations of the Subscriber, enforceable in accordance with their terms except: (i) to the extent that any indemnification provisions contained herein may be limited by applicable law and principles of public policy, (ii) as limited by applicable bankruptcy, insolvency, reorganization, moratorium and other laws of general application affecting enforcement of creditors' rights generally, and (iii) as limited by laws relating to the availability of specific performance, injunctive relief or other equitable remedies or by general principles of equity;
 - (j) No consent, approval, authorization, order, filing, registration or qualification of or with any court, governmental authority or third person is required to be obtained by the Subscriber in connection with the execution and delivery of the Subscription Agreement by the Subscriber or the performance of the Subscriber's obligations hereunder;
 - (k) The Subscriber has reviewed with its own tax advisors the U.S. federal, state, local and foreign tax consequences of this investment and the transactions contemplated by the Subscription Agreement. With respect to such matters, the Subscriber relies solely on such advisors and not on any statements or representations of the Company or any of its agents, written or oral. The Subscriber understands that it (and not the Company) shall be responsible for its own tax liability that may arise as a result of this investment or the transactions contemplated by the Subscription Agreement;
-

- (l) the Subscriber is not aware of any advertisement of any of the Shares and is not acquiring the Shares as a result of any form of general solicitation or general advertising including advertisements, articles, notices or other communications published in any newspaper, magazine or similar media or broadcast over radio or television, or any seminar or meeting whose attendees have been invited by general solicitation or general advertising; and
- (m) The Subscriber has been informed of and understands the following:
 - (i) There are substantial restrictions on the transferability of the Shares;
 - (ii) No federal or state agency has made any finding or determination as to the fairness for public investment, nor any recommendation nor endorsement, of the Shares;
- (n) None of the following information has ever been represented, guaranteed, or warranted to the Subscriber, expressly or by implication by any broker, the Company, or agent or employee of the foregoing, or by any other person:
 - (i) The approximate or exact length of time that the Subscriber will be required to remain a holder of the Shares;
 - (ii) The amount of consideration, profit, or loss to be realized, if any, as a result of an investment in the Company;
 - (iii) That the past performance or experience of the Company, its officers, directors, associates, agents, affiliates, or employees or any other person will in any way indicate or predict economic results in connection with the plan of operations of the Company or the return on the investment;
- (o) The Subscriber has not distributed any information relating to this investment to anyone other than his purchaser representative, if any, and no other person except such personal representative and the Subscriber has used this information;

5.2 Each Subscriber who is a Non-U.S. person (as defined herein) hereby represents and warrants to the Company as follows:

- (a) This Agreement is made by the Company with such Subscriber who is a Non-U.S. person in reliance upon such Non-U.S. person's representations, warranties and covenants made in this Section 5.2;
 - (b) Such Non-U.S. person has been advised and acknowledges that:
 - (i) the Shares have not been registered under the Securities Act, the securities laws of any state of the United States or the securities laws of any other country;
 - (ii) in issuing and selling the Shares to such Non-U.S. person pursuant hereto, the Company is relying upon the "safe harbor" provided by Regulation S and/or on Section 4(2) under the Securities Act;

- (c) Such Non-U.S. person agrees that with respect to the Shares until the expiration of the Restricted Period:
- (i) such Non-U.S. person, its agents or its representatives have not and will not solicit offers to buy, offer for sale or sell any of the Shares or any beneficial interest therein in the United States or to or for the account of a U.S. person during the Restricted Period; notwithstanding the foregoing, prior to the expiration of the Restricted Period, the Shares may be offered and sold by the holder thereof only if such offer and sale is made in compliance with the terms of this Agreement and either: (A) if the offer or sale is within the United States or to or for the account of a U.S. person (as such terms are defined in Regulation S), the securities are offered and sold pursuant to an effective registration statement or pursuant to Rule 144 under the Securities Act or pursuant to an exemption from the registration requirements of the Securities Act; or (B) the offer and sale is outside the United States and to other than a U.S. person; and

Such Subscriber's subscription and payment for, and such Subscriber's continued beneficial ownership of, the Shares, will not violate any applicable securities or other laws of such Subscriber's jurisdiction.

6. REPRESENTATIONS AND WARRANTIES WILL BE RELIED UPON BY THE COMPANY

6.1 The Subscriber acknowledges that the representations and warranties contained herein are made by it with the intention that such representations and warranties may be relied upon by the Company and its legal counsel in determining the Subscriber's eligibility to purchase the Shares under applicable securities legislation, or (if applicable) the eligibility of others on whose behalf it is contracting hereunder to purchase the Shares under applicable securities legislation. The Subscriber further agrees that by accepting delivery of the certificates representing the Shares on the Closing Date, it will be representing and warranting that the representations and warranties contained herein are true and correct as at the Closing Date with the same force and effect as if they had been made by the Subscriber on the Closing Date and that they will survive the purchase by the Subscriber of the Shares and will continue in full force and effect notwithstanding any subsequent disposition by the Subscriber of such Shares.

7. LEGENDING OF SUBJECT SHARES

7.1 The Subscriber hereby acknowledges that a legend may be placed on the certificates representing any of the Shares to the effect that the Shares represented by such certificates are subject to a hold period and may not be traded until the expiry of such hold period except as permitted by applicable securities legislation.

7.2 The Subscriber hereby acknowledges and agrees to the Company making a notation on its records or giving instructions to the registrar and transfer agent of the Company in order to implement the restrictions on transfer set forth and described in this Subscription Agreement.

8. COLLECTION OF PERSONAL INFORMATION

8.1 The Subscriber acknowledges and consents to the fact that the Company is collecting the Subscriber's personal information for the purpose of fulfilling this Subscription Agreement and completing the Offering. The Subscriber's personal information (and, if applicable, the personal information of those on whose behalf the Subscriber is contracting hereunder) may be disclosed by the Company to (a) stock exchanges or securities regulatory authorities, (b) the Company's registrar and transfer agent, (c) regulatory authorities and (d) any of the other parties involved in the Offering, including legal counsel, and may be included in record books in connection with the Offering. By executing this Subscription Agreement, the Subscriber is deemed to be consenting to the foregoing collection, use and disclosure of the Subscriber's personal information (and, if applicable, the personal information of those on whose behalf the Subscriber is contracting hereunder) and to the retention of such personal information for as long as permitted or required by law or business practice. Notwithstanding that the Subscriber may be purchasing Shares as agent on behalf of an undisclosed principal, the Subscriber agrees to provide, on request, particulars as to the identity of such undisclosed principal as may be required by the Company in order to comply with the foregoing.

9. "PIGGYBACK" REGISTRATION

9.1 If at any time the Company shall determine to register any of its common stock other than pursuant to (A) a registration relating solely to the sale of securities to participants in a Company employee benefits plan, (B) a registration on any form which does not include substantially the same information as would be required to be included in a registration statement covering the sale of the Shares issued pursuant to this Subscription Agreement (such shares of the Company's common stock, for purposes of this Section 9 only, "Registrable Shares"), (C) a registration relating to securities issued in connection with an acquisition by the Company, or (D) a registration in which the only the Company's common stock being registered is common stock issuable upon conversion of debt securities which are also being registered), it shall send to the Subscriber written notice of such determination and, if within twenty (20) days after receipt of such notice, the Subscriber shall so request in writing, the Company shall use its commercially reasonable best efforts to include in such registration all or any part of the Registrable Shares that the Subscriber requests to be registered.

9.2 If such registration involves an underwritten public offering and the managing underwriter determines in its sole discretion that marketing factors require a limitation on the number of shares that may be included in the registration, the number of shares to be included in such registration shall be apportioned as follows: First, the common stock held by officers and directors of the Company shall be excluded to the extent required by such limitation. Second, the Registrable Shares requested to be registered by the Subscriber and other subscribers in this private placement shall be excluded to the extent required by such limitation. Third, the Company's common stock requested to be registered by selling stockholders with registration rights other than under this Subscription Agreement shall be excluded to the extent required by such limitation. If the Subscriber disapproves of the terms of such underwriting, he may elect to withdraw therefrom by written notice to the Company and the underwriter.

9.3 The Subscriber hereby agrees that he will not sell or otherwise transfer or dispose of (other than to donees who agree to be similarly bound) any Registrable Shares during a period not to exceed 90 days following the effective date of a registration statement in connection with an underwritten public offering of the Company if so requested by the Company or any representative of its underwriters, and the Subscriber shall enter into such underwriter's standard form of "lockup" or "market standoff" agreement in a form satisfactory to the Company and such underwriter. In order to enforce the foregoing covenant, the Company may impose stock transfer restrictions with respect to the Registrable Shares of the Subscriber until the end of the lockup period.

9.4 The obligations of the Company to register any of the Subscriber's Registrable Shares pursuant to this Section 9 shall terminate on the earlier of (i) the sale of such Registrable Shares pursuant to an effective registration statement under the Securities Act, and (ii) if the Subscriber is eligible to sell all of the Subscriber's Registrable Securities under Rule 144 of the Securities Act within any three month period without volume limitations.

9. COSTS

9.1 The Subscriber acknowledges and agrees that all costs and expenses incurred by the Subscriber (including any fees and disbursements of any special counsel retained by the Subscriber) relating to the purchase of the Shares shall be borne by the Subscriber.

12. SURVIVAL

12.1 This Subscription Agreement, including without limitation the representations, warranties and covenants contained herein, shall survive and continue in full force and effect and be binding upon the parties hereto notwithstanding the completion of the purchase of the Shares by the Subscriber pursuant hereto.

13. ASSIGNMENT

13.1 This Subscription Agreement is not transferable or assignable.

14. EXECUTION

14.1 The Company shall be entitled to rely on delivery by facsimile machine of an executed copy of this Subscription Agreement and acceptance by the Company of such facsimile copy shall be equally effective to create a valid and binding agreement between the Subscriber and the Company in accordance with the terms hereof.

15. SEVERABILITY

15.1 The invalidity or unenforceability of any particular provision of this Subscription Agreement shall not affect or limit the validity or enforceability of the remaining provisions of this Subscription Agreement.
